At our last meeting, Tommy appointed this years nominating committee. It consists of **Eric Hanrehan, Ray Dixon and Kevin Flannery Jr.**, with Eric as the chairman. They will propose a slate this month for the elections in June.

Danny Rodriguez was voted in for honorary membership.

Now that there is an **ATM** at the Club there is no longer a need for **IOUs!**

Letters have been sent to all members who owe dues and many have paid up. But, there are still some who haven't paid. From now on if you don't have a current membership card you will not be able to attend our meetings. Membership cards should be carried at the Club at all times anyway, because it is a **private club**. And don't forget, at the June meeting we have our voting. To vote your dues **must be paid** for the **2017/2018** year.

The **17th of May Parade** will take place on **Sunday, May 21st**. It starts at 1:30 pm. We hope as many members as possible will march with us. Please save the date and plan to attend! After the parade there will be our usual celebration. Also, **Danny Rodriguez** (the singing cop and new honorary member) will perform for us at the club! Don't miss it! And, of course, BBQ and lapskaus will be served along with delicious Norwegian desserts!

There is another Paint and Sip night coming up in June.
